

SEEDBOX FOR  
URBAN  
CLIMATE ACTIVISM

the public space nowadays is not mainly planned for these tools!

they can help re-appropriate the city!

THE CITY TODAY  
THE PUBLIC SPACE IS INEVITABLE FOR GATHERING AND DISCUSSING.  
GATHERING IS ALWAYS FOLLOWED BY TALKING AND FEELING AND RECOGNIZING.  
GATHERING IS ALSO FOLLOWED BY FEELING AND RECOGNIZING INJUSTICES.  
SO THE CITY'S PUBLIC SPACE IS FOR SHARING.  
AS ACTIVISM IS ALWAYS ADDRESSING PEOPLE.  
IT'S ESSENCE IS SHARING..  
SHARING SPACES, ACTIONS AND MESSAGES ARE IT'S MAIN TOOLS.  
WE COLLECT SOME EXAMPLES.
